LIMITS OF LIABILITY AND RESPONSIBILITY MATERIAL HANDLING SERVICES RULES AND REGULATIONS

PLEASE READ CAREFULLY

1. MSS and its subcontractors shall not be responsible for damage to uncrated and/or unskidded materials, materials improperly packed, glass breakage or concealed damage.
2. MSS and its subcontractors, are not, and cannot be, responsible for loss or disappearances of Exhibitor's materials after same have been delivered to Exhibitor's booth.
3. MSS and its subcontractors cannot be responsible for disappearance of Exhibitor's materials before the materials are picked up from the Exhibitor's booth for loading out after the show.
4. MSS and its subcontractors, shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss, delay or damage due to fire, theft, windstorm, water, vandalism, acts of god, mysterious disappearance, strikes, lockouts or work stoppage of any kind, or other causes beyond its control.
5. It is understood that MSS and its subcontractors, are not insurers, that insurance, if any, shall be obtained by the Exhibitor and that any amounts payable to MSS hereunder are based on the value of the material handling services and the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property being handled. It is understood that MSS and its subcontractors do not provide for full liability should loss or damage occur. Any claim for loss or damage must be submitted to MSS prior to the close of the show.
6. MSS and its subcontractors, shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs, which may result from any loss or damage to an Exhibitor's materials which may make it impossible or impractical to exhibit same.
7. A. Once exhibits or materials are placed in the booth, MSS will not be responsible for condition, count, or content until such time as exhibits or materials are picked up for removal after the close of the Show. Therefore, all materials should be properly insured against fire, theft, and all hazards while in transit, and to and from your booth and for the duration of the Show.
B. Property Insurance: BE SURE YOUR MATERIALS ARE INSURED from the time they leave your firm until they are returned to the show. We suggest that Exhibitors arrange "all risk" coverage. This can be done by "riders" to existing policies. Contact your insurance representative. BE SURE YOUR LIABILITY INSURANCE IS IN EFFECT AT THE SHOWSITE. Be sure to review other insurance requirements per the contract for space.
